

BRACKET SUMMARY

Bracket of Four:

Played as a single group of four teams in a round-robin format, with the two teams accumulating the most points advancing to the final.

Bracket of Five:

Played as a single group of five teams with all teams playing each other once. The team accumulating the most points will be announced as the Champion. The team accumulating the second most amount of points will be the Finalist.

Bracket of Six:

Played as two groups (brackets of three teams). Each team will cross over and play the three teams in the other group/bracket. The two teams accumulating the most points from all six teams will advance to the finals to determine which team is the champion. It is possible that the finalists could have played each other already.

Bracket of Seven:

Played as a single group of seven teams with all teams playing a total of four matches. Note, teams will not play all other teams in the bracket. The team accumulating the most points will be announced as the Champion. The team accumulating the second most amount of points will be the Finalist.

Bracket of Eight:

Played as two groups of four. The winner of each round-robin group will play a final game to determine the Champion and Finalist.

DETERMINATION OF GROUP WINNERS

In group play, there will be no overtime games. Standings in a group will be determined by Game Points: 3 points for a Win, 1 point for a Tie, 0 points for a Loss. If Two Teams Tie: Starts with tie breaker number 1 and proceeds through each level, as needed to determine a winner.
